Address: musaabmuk449@gmail.com

Total contract Amount: 7,000 USD

Contract start Date: 24/01/2025

Contract Duration: 2years

Summary of scope of Contract Awarded:

- a. Providing overall direction and leadership of Project Implementation Team (PIT), undertaking management and coordination of the Muvumba Water Resources Development Program on behalf of the client.
- b. Day-to-day coordination of the Program in accordance with the agreed Program Appraisal Report and Financing Agreement.
- c. Supervision and co-ordination of various Consultants contracted in connection with the Muvumba Water Resources Development Program including Time-Based Contract of Owner's Engineer for its effective implementation in terms of time, cost and quality.
- d. Management, with support of the Owner's Engineer, of the main construction contracts for Muvumba Water Resources Development Program (Civil Works, and Electro-Mechanical Equipment), including follow-up of the coordinated work schedules of Contractors, periodically updated by the steering committee.
- e. Management of the overall project schedule that incorporates Civil Works, and Electro-Mechanical Equipment contractors.
- f. Co-ordination, with support of the Owner's Engineer, environmental and social issues and in particular, the implementation of the RAP and ESMP activities as well as provision of oversight in timely preparation and implementation of relevant safeguards instruments.
- g. Ensure that effective monitoring, evaluation, and reporting systems are in place, and that all necessary progress reports are timely produced and submitted to both the Government and the African Development Bank.
- h. Review and Supervision of Contractor's quality assurance plans, and ensure that performance of consultants, experts, contractors, and Program staff conforms to guidelines and contractual expectations.
- i. Liaising with all stakeholders and, with the assistance of the Owner's Engineer, coordinating all activities in connection with reservoir impoundment and commissioning of the Project.
- j. Preparation Provisional Acceptance Certificate after commissioning and the Final Acceptance Certificate after the expiration of the Guarantee Period/Defect Liability Period.
- k. Chairing monthly meetings with the Owner's Engineer and Contractors.
- l. Regular reporting of the project progress to stakeholders, including the preparation of Quarterly Reports for all Agencies and stakeholders, and follow-up on timely preparation of Contractors' Reports.
- m. Ensuring timely Certification of all payments made in relation to the project loans.
- n. Verifying and certifying invoices from experts, consultants, suppliers, and contractors, and ensuring timely payment in accordance with relevant applicable contract agreements.
- o. Maintaining records of disbursements and the status of all loans.
- p. Monitor and review any contractual claims from contractors and consultants on behalf of the client to protect Client/ Employer's interest; as well as monitor other contractual issues, such as compliance with the matters with performance security, insurance, etc.
- q. Liaison with funding agencies as a program Coordinator.
- r. Representing the Rwanda Water Resources Board in meetings related to the Program.

- s. Carrying out administrative duties related to the Program in conformity with the standing guidelines of the Government of Rwanda.

- t. Facilitate coordination between the stakeholders responsible for implementation of the downstream irrigation and water supply infrastructure to ensure coherence of program plans.
- u. Liaise with the client and the Project Steering Committee to ensure the project is well coordinated and technical inputs are provided timely which will facilitate resolution of any internal delays to implementation.
- v. Coordinating the implementation of all training and capacity-building activities under the Program.
